

THE SPARE PARTS SPECIALIST

REFRIGERATOR COMPRESSORS

We have a deep knowledge of all leading brands of refrigerator compressors and ancillaries. We supply a wide range of spare parts:

*connecting rods
crankshafts
cylinder liners
pistons
bearings
pins and bushes
valve plates and valve assemblies
oil pumps gears
gaskets kits
shaft seals and cover plates*

REFRIGERATOR COMPRESSORS REPAIR AND RECONDITIONING

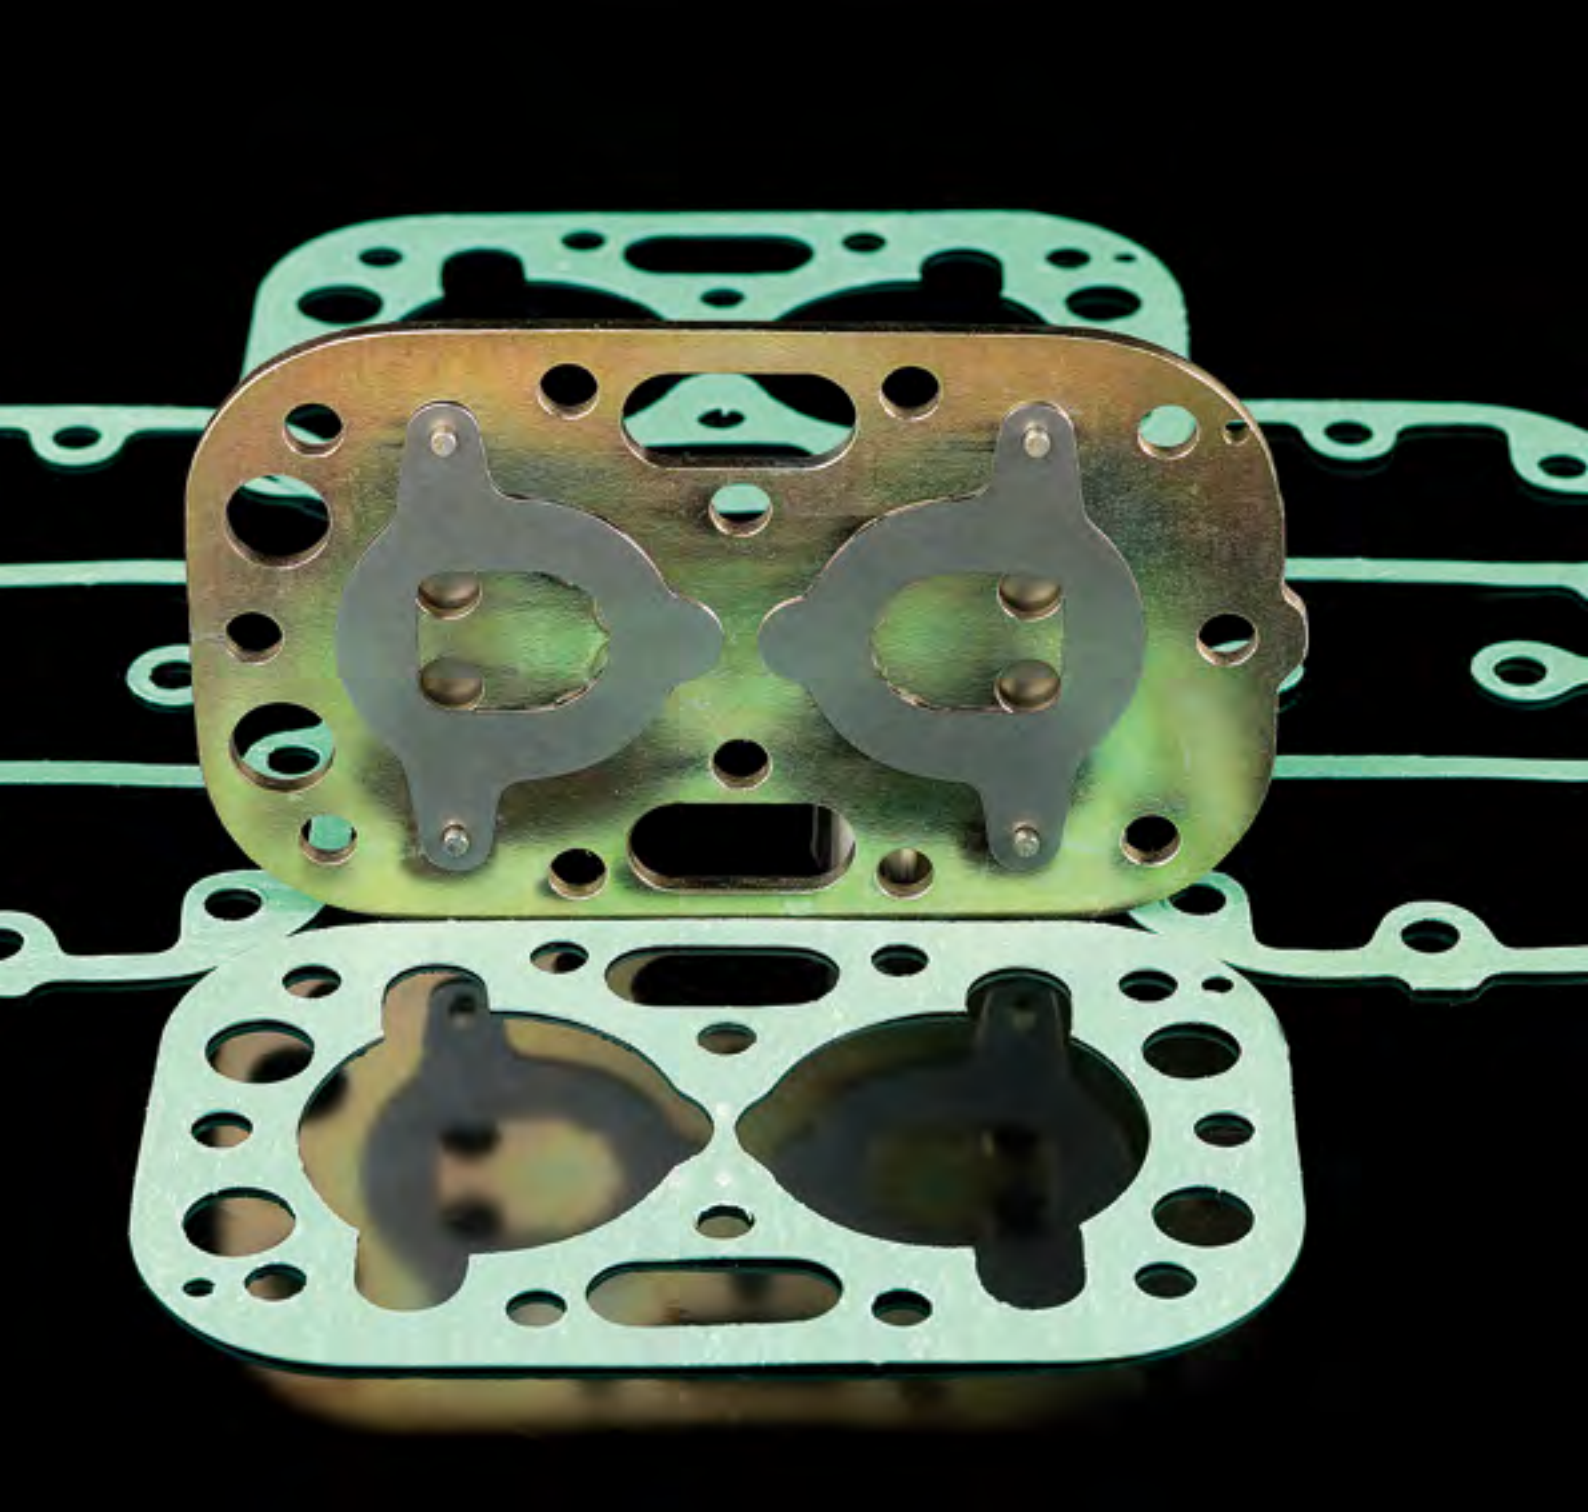

In the last few years, in our workshop, we set up a new plant for the reconditioning and test of refrigerator compressors; every machine is now completely overhauled and include our warranty of 6 months.

Moreover we can now send our qualified staff on the ships to take care about repair services and the installation of new spare parts.

Pistons and conn rods for Sabroe compressors
